Continued trouble at the Wagner home, 2018 Gallia street, finally culminated Monday evening in the arrest of H. J. Wagner, a husband on the charge of wife-beating and disorderly conduct. Officer Clark has been called to the Wagner home several times of late to quell domestic trouble, and when he was called Monday evening, he decided to put Wagner under arrest. He set up a stubborn battle, according to the officer, who says he was compelled to wrestle with him from the time of the arrest until he was taken to the station. Wagner entered a plea of guilty to the charge of drunkenness, but denied having been disorderly. The mayor held otherwise, however, and fined him the minimum for the two charges, \$10 and costs. Wagner secured his release by giving an order for the amount.

ITCHING ECZEMA IS DRIED RIGHT UP WITH SULPHUR

Constant or intermittent irritation producing itching and red, angry Eczema patches on the skin is readily relieved with bold-sulphur cream. The moment it is applied the itching stops and the burning begins, says a noted dermatologist.

It effects such prompt relief, even in aggravated Eczema that it is a never-ending source of amazement to physicians. For many years bold-sulphur cream has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, paralyzing, and soothing properties. It is not only parasiticidal, but also antipruritic and anti-eczematous, and nothing has ever been found to take its place in overcoming irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet in every instance it instantly stops the agonizing itching and soothes the irritation and heeds the inflamed raw skin right up and it is often years later before any Eczema eruption again appears. These troubles should get from any pharmacist a course of bold-sulphur cream and apply it directly upon the affected skin like you would any ordinary cold cream. It will not be unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with itching.

The Successful Man

MORE than nine times out of ten you will find that the
successful man began his success by first being a
prudent man. He early learned the value of saving and
began putting his surplus in bank. There is character and
force about the man who has money in bank. He begets
confidence in himself and confidence and credit from the
community. He becomes recognized as safe and depend-
able. Opportunities begin to come his way and having
some means he is the better able to profit by them.

The first step towards success is saving. We want
to help you in that step and we offer you the security and
facilities of our bank. One dollar will open a savings
account and we allow interest on all savings deposits and
compound the interest.

BUGGY OVER
BANK

An advertising trip, which they
had planned to take them beyond
Vancouver, ended disastrously
almost at its beginning Monday
afternoon, when a team of horses
driven by Rupert Hart and Stanley
Hopkins, Jr., backed over an em-
bankment near South Portsmouth.
Both young men were thrown out,
but escaped injury.
One wheel was torn off the buggy
and the top was somewhat damaged.
The horses became uncontrollable
and before the team could be halted
it backed down over the embank-
ment, almost directly across the
river.

The visitors boarded the steamer Greenland at 6:15 this morning and departed for Cincinnati, where they will enjoy a short stay. Tuesday night, accompanied by the jolly party, Dr. and Mrs. J. W. Hutchins, of Sandusky, Dr. and Mrs. D. A. Bond, Dr. and Mrs. J. S. Gordon, and Dr. S. S. Halberstadt, of George Marshall, of this city,

Season Ticket Sale for Redpath Chautauqua

In arranging for a Redpath Chautauqua here this summer the local committee secured a thousand \$2.50 season tickets which will be sold for \$2.00 each.

When these tickets are gone no season tickets can be had for less than \$2.50. Also the price of season tickets will not be reduced from the first day to the close of the Chautauqua.

The single admissions to the various sessions of this Chautauqua will aggregate more than \$7.50, so it will pay you to buy a season ticket even after the program is half completed. Season tickets are not transferable, except within the owner's family.

Children's tickets, costing \$1.00 each, admit children aged from 6 to 14 years, inclusive. Admission to the special children's work is free.

For admission fees to the respective entertainments see the souvenir program, copies of which are now available.

JUNIOR LEAGUE

The Junior baseball league opened this morning with a record-breaking attendance of boys and older people at St. Straus park in Earlytown. The weather being ideal two good games were pulled off. The first was between the Cardinals and the Hilltops, each one of them being examined singly by the new district examiner.

Early Tuesday afternoon Examiner Stockham announced that all twelve of the applicants had successfully passed the examination, but he withheld the grades, as the department deemed it unwise to make public the grades the first year, as none of the applicants have had a chance to prepare for the examination. Next year, the examination will be more rigid, and the grades will be announced. Applicants were asked about the different mechanical parts of an automobile, what he would do in cases of emergency, and questions concerning his knowledge of the automobile laws of the state, in addition to other questions pertaining to an automobile.

The twelve applicants with the names of the persons or firms employing them are as follows: Ezekiel Blake, Standard Supply company; A. J. Vezhorst, Irving Drew Shoe company; Sigmund Callahan, Simon Labold; Charles H. Fisher, Portsmouth Telephone company; Garfield Baker, H. E. Taylor; Daniel Werts, Thomas Will, Gilbert Grocery company; Frank DeLong, Interstate Transfer company; Walter M. Justice, John E. Williams; Cassie Morgan, L. D. York; Daniel Hyde, Stockham Cold Storage and Ice company; Carrell Creekbaum, Neudeorfer and Silcox Grocery company.

In the last round Jeffords of the All Stars weakened after pitching a star game, and his opponents put six runs across. Score by innings: R. H. E. All Stars... 0 1 2 1 0 1 7 9 1 Cardinals... 0 0 0 0 1 2 3 5 2 Batteries—Mitchell and Lyons; Bertram and Thurman.

Two good games are being played this afternoon at York park between the Collis and the Bigelow. Miller is pitching for the Coll aggregation and Dillon for the Bigelows. The other game is between the Cubs and Federals, with Millard pitching for the Cubs and d'Shaunt tossing them for the Federals.

On Wednesday morning the Midgels and the Yankees will meet at York park. This will be one of the fastest games of the opening series. Wallace is slated to work for the Midgels, while Lefty Starlin will be on the mound for the Yankees.

Is Sickness A Sin?

A Sin of Commission? Or Omission? We transgress Nature's laws, the liver suffers, then we omit or neglect until we ache or sicken. Loosen the dammed-up bile. Keep it loose with the old standard May Apple (Rhubarb). Podolax with the grip takes out its call.
